USCA Case Number 22-110-bk (L), 22-113-bk, 22-115-bk, 22-116-bk, 22-117-bk, 22-119-bk, 22-121-bk, 22-299-bk, 22-203-bk. Appellants appeal from an order of the United States District Court for the Southern District of New York (Colleen McMahon, J.) reversing an order of the United States Bankruptcy Court for the Southern District of New York (Robert D. Drain, Bankr. J.) confirming a Chapter 11 plan that included nonconsensual third- party releases of direct claims against non-debtors. We hold that nonconsensual third-party releases of such direct claims are statutorily permitted under 11 U.S.C. §§ 105(a) and 1123(b)(6) of the Bankruptcy Code. We further conclude that this Court's case law also allows for nonconsensual third-party claim releases in specific circumstances, such as those presented in this appeal. Accordingly, we REVERSE the district courts order holding that the Bankruptcy Code does not permit nonconsensual third-party releases against non-debtors, AFFIRM the bankruptcy court's approval of the Plan, and REMAND the case to the district	05/30/2023
